Sex for me is always exciting. I especially like to be sure my man finishes when the time is right. I love to give head as well as receive it, too. Even though it's really for him, I like to pretend that I'm doing it for me and that really gets him off. But either way, I don't think he'll really care as long as he get off on it.

The other day, I got quite a surprise. I went to my man's office to take him to lunch, but when I went into his office I caught him looking at a girlie magazine. I was quite surprised, but not upset.

## OUT OF THIS WORLD

"What about us, baby? I thought we—"

"Things are different now, Robert. Henry is back."

Robert sighed wearily. "So that's it, huh? Just like that. We're finished."

"I'm sorry . . ."

The line went dead. I put down my phone, contemplated a stiff drink, then rejected the idea. Henry would be home soon, home and hornier than ever. And I no longer needed a cocktail prior to sex. The awful guilt, the ever-present urge to self-medicate, was gone.

Robert had filled the void while Henry was in space, filled it quite nicely. At least from a purely physical perspective. Still, ours was an ill-advised affair. Call me old fashioned, but I had taken my marriage vows seriously. I had never cheated in my life, not even with boyfriends.

But things changed when Henry was selected for the space program's mission to Uranus.

Husbandless for a whole three months, I had succumbed to temptation, using the perilous nature

## I'd chase Cory!

Dear magazine editor: Cory Chase is not like any fifty OR forty year-old that I know. Besides being really pretty, what she does with her body should be a national past time. At home, I'm lucky to get a decent blow job, let alone a fuck that takes more than ten minutes. Oh well, a guy can dream, can't he? So I dream about Cory, kind of... That is, I put on a video of her and close my eyes imagining that it's me she's sucking and fucking. It helps me get through the day, and oftentimes, through the night, too. I also have to say that Shery and Claudie in the same issue were pretty hot, too. I checked them over good. But when I watched the video of Cory, taking it hard in the ass, that's when I decided to download it because it was a keeper! If your wife isn't all there for you, I'd check out Cory. She'll be there for you!

– Jason B., Augusta, GA

of Henry's mission to justify my transgression. After all, I had no way of knowing if he would return. We knew next to nothing about Uranus. The planet, I had thought countless times, could very well be inhabited with hostile alien life.

Even while in bed with Robert, I could never shake the awful image of my husband being torn to bloody ribbons by some green monstrosity straight out of a gory sci-fi/horror film.

Alas, my fears proved unfounded.

Henry returned in one piece.

They say absence makes the heart grow fonder, and I would certainly agree. Ever since Henry came home—well, things have never been better between us.

And our sex life is out of this world!

Henry was all smiles when he came home from the space center. And with good reason. I greeted him in black thigh-highs, matching lace panties, and a red corset.

I grinned naughtily. "How's my favorite astronaut?"

"Horny," he replied, "and ready to explore something other than space..."

When not on a mission, Henry worked a comparatively dull desk job at the space center. He needed to release some tension. The look in his eyes as he mentally undressed me was a familiar one.

"You look fantastic," he told me.

No sooner had the words left his mouth than we retired to the bedroom. Henry removed his clothes with haste. I stepped out of my panties, leaving the stockings and corset in place.

I started to kneel before him, but he shook his head and directed me to the bed. "Let me do you," he uttered.

"Fine by me..."

I lay there atop the comforter, a pillow beneath my head, and parted my stocking legs. Henry pressed his mouth to my pussy. The contact was electric. I gasped as he serviced me with his talented tongue.

Henry had always been good at oral sex, even more so since his return from space. This improvement extended to every facet of our lovemaking. Something had happened to my husband on the distant planet of Uranus, something which had transformed him from a good lover to a great one. Exposure to the planet's strange atmosphere? Something in the water?

I had no idea. And quite frankly, I didn't care...

He licked and lapped and sucked, making me writhe there beneath him. I lowered my hands to his head, running my fingertips through his thick brown hair as he ate my wet cunt.

Having brought me to the brink of orgasm, he relented and flipped me over into the doggy position. I raised my ass, offering it to my husband for his poking pleasure.

Henry plunged his cock inside me. I gasped again, louder this time. He thrust repeatedly with his iron-hard member, his fingers digging into my hips, tapping my pussy with authority.

Yet again he brought me to the edge of release before withdrawing. I knew what was next. And I couldn't wait...

My excitement was such that I cried out when

his glans nudged my backdoor. "Oh yeah! Stick it in there! Fuck my tight little asshole!"

Still holding my hips, Henry granted my wish. He stretched my donut hole to its limit, filling me with his sizable member. I leaned back into his thrusting rod, working with him as he pounded me from behind. Grunting with each stroke, Henry thrust faster and faster, harder and harder...

Mine was a most powerful orgasm, matched by my husband's when, seconds later, he pulled out and released a massive load on my ass.

We lay there, spooning in silence, until Henry said, "I tell you, babe. There's nothing I'd rather do than explore your anus."

I elbowed him playfully. "I hope you're not talking about the planet!"

## LEWD LIFEGUARD

Treading water in the deep end, Trevor admired the fabulous female flesh on display at the campus pool. An unseasonably hot April day had brought everybody out of their dorm rooms. Doubtless the library would be empty as well; not to mention the writing lab and language lab and computer lab...

Who could study, he thought, on a gorgeous day like this?

Wet hair plastered to his forehead, arms and legs keeping him afloat, Trevor focused his attention on Kim. She looked resplendent in her lifeguard uniform, a red one-piece suit which accentuated her hot body. A statuesque blonde, she sat in her elevated chair like some kind of amazonian goddess. Kim was stacked up top, with the jaw dropping ass of a track star, flawless in every way.

Unfortunately, she played for the other team.

Still, Trevor could daydream. And that's exactly what he did, entertaining all manner of dirty thoughts right there in the pool. The torrid fantasy quickened his pulse and hardened his cock.

"Man," he muttered, "what I wouldn't give to—"

Becky's arrival cut him off in midsentence. A sexy ginger with spectacularly long legs, Becky was Kim's girlfriend. She stood at the base of the lifeguard chair,

shielding her eyes from the sun. Trevor watched her lips move as she talked to Kim. It wasn't long before Stu, the lone male lifeguard, showed up to relieve Kim. Must be her lunch break, Trevor reasoned. Kim climbed down from her perch. The two girls, walking side by side, headed for the cabana.

Trevor had managed to chat up a slutty sorority sister reputed to take it up the keester when drunk. She had given him her number, telling him to call her soon.

Buoyed by the invitation, he plucked his towel from a chaise lounge and turned on his heel. Trevor could take a hint. He would call her tonight, get her drunk, then bone her good and proper.

He skirted the cabana enroute to the gated exit, stopping in his tracks as he passed a window. Tell-tale moaning and groaning rooted him to the concrete. The window was curtained. But the noise alone painted a very vivid picture.

Kim and Becky were getting it on!

A sign on the cabana door read STAFF ONLY. To hell with that, Trevor thought. He hatched a plan. Feigning ignorance, he would walk inside under the pretense of needing to use the restroom. Kim and Becky would be pissed, sure. But he would get a good look before apologizing and making a hasty exit.

"Ready or not," he said, "here I come . . ."

Clearly, Kim and Becky weren't worried about Stu showing up. As the only lifeguard on duty, he would be strictly forbidden from leaving his post unattended, Trevor theorized.

He crossed the threshold; the tableau which greeted him was eyepopping, to say the least . . .

Kim, her swimsuit on the floor, lay atop the room's only table, legs spread wide to accommodate her thrusting girlfriend. Becky wore a strap-on dildo and nothing else. She stood there over her prone lover, pumping and pounding . . .

Trevor peered at her tight white ass, watching it move between Kim's splayed thighs. He was mesmerized. What a sight to behold! He couldn't

wait to tell his roommate.

The whole thing happened in a matter of seconds: Trevor's intrusion, his standing there gaping at the girl/girl action, and their inevitable realization that they weren't alone . . .

Becky looked over her shoulder, her flushed face twisting with rage as she laid eyes on Trevor.

"Get the fuck out of here!" she hollered.

Kim sat up, her big tits bouncing. "Oh, shit!"

Trevor didn't have to be told twice; he mumbled something about needing to take a piss, said he was sorry, then took off . . .

The sorority sister turned out to be more of a slut than he had heard. Trevor didn't even have to get her drunk, though they did puff a little weed before doing the deed.

The image of Becky fucking Kim had been

with him all afternoon and evening. He had wanted to jerk off something fierce but, intent on saving his load for the slut's face, had managed to abstain.

They were in her room at the sorority house. The slutty sister lay on her bed beneath him. She had pulled her legs back with both hands, granting Trevor full access to her donut hole. He thrust repeatedly, jabbing her with his stiff prick.

"Oh! Oh! Oh! Yes, baby! Come in my asshole!"

No sooner had the words left her mouth than Trevor erupted inside her. His cock spasmed, flooding her poop chute with spunk, lots of spunk. His balls had been full of the stuff.

Moments later, the sorority slut propped a pillow behind her head and lighted a cigarette. "Did you have fun at the pool today?"

"Sure," Trevor said. "I like to swim . . ."

Of course, swimming had nothing to do with the good time he had had at the pool. And everything to do with Kim and Becky!

I'm a bit of an oral freak and it's all my husband's fault. Before we were married, one night we got pretty drunk on champagne and started making out. Well, that led to us getting it on and after an hour of some heavy petting and great sex, I tried to deep throat his eight inch cock. Initially I gagged and he pulled out not realizing what happened.

# Alice

But after a moment, I regained my composure and asked if he would try that again.

He was a little surprised but he did it and I've been addicted ever since.

When I got the call to do a scene with Nina, I jumped at the chance.

She's such a legend (and a really good fuck). I freshened up and headed over to the house. When we met, it was lust at first sight. I just couldn't wait to get my lips onto hers, and onto her pussy.

# Nina & Natasha

Soon, she's licking my pussy and my puckered little asshole. I had never been rimmed before, and I must say, she was very good at it. Now, it's the one thing I actually look forward to during sex.

*In the last year alone we had traveled to five tournaments in three Southeastern states.*

"You're kidding, right? Please tell me you're—"

"Sorry," the clerk replied apologetically. "You'll have to hop on over to Tadlock if you want to buy booze."

"How far is that?"

"Two miles up the road," he said. "There's a liquor store just across the county line."

I returned to the rental van and slid behind the wheel. Allison, goalkeeper extraordinaire, looked at me like I had lost my mind. "Where's the beer?"

"Dry county," I told her.

"You're shitting me?"

"Afraid not."

I keyed the ignition and boogied on down the highway. The place was much larger than your average liquor store. Hell, it wasn't really a liquor store at all. More like a discount pleasure palace catering to myriad vices. They had slot machines, a curtained adult section, an impressive inventory of pipes and bongs; and, of course, plenty of liquor, wine, and beer. It was Saturday night. The place was hopping. I grabbed a twelve-pack from the cooler and queued up at the end of the line. Most of the customers were buying lottery tickets.

Allison, her left ankle wrapped in ice, waited in the van. A bad sprain, compliments of a nasty collision with an opposing attacker. Unfor-

tunately, we had lost tonight's title match. A bitter pill, for sure, as we were defending champions of the annual coed indoor soccer tourney. We called ourselves the Vagabonds because that's what we were, a ragtag band of ex-collegiate players, five women and three men, hopelessly addicted to soccer. In the last year alone we had traveled to five tournaments in three Southeastern states.

Eight diehard weekend warriors, you bet.

Allison clapped jubilantly when I exited the store. My sentiments exactly. It would take many cold ones to soothe the sting of tonight's loss. To say nothing of the guilt we both felt for cheating on our respective spouses . . .

It was just too easy. Ours was an affair of convenience. Allison's husband had no interest in soccer; he never went to see her play. Traveling with his wife to an out-of-town tournament would have never even entered his mind. The same could be said of my wife.

Still, both Allison and I were happily married. We weren't looking to ditch our significant others and take things to the next level. We were having fun, enjoying each other when the Vagabonds hit the road for yet another competitive

fix. As for the guilt . . . well, we were only human. What we were doing was wrong, perhaps even despicable. As far

*When travelling with the team I always opted for a private room. College was over. I was an adult. Privacy was essential. Allison felt the same way. Of course, this arrangement allowed us to carry on our affair undetected.*

as we knew, our teammates were ignorant of the affair. We were nothing if not discreet, posing as chummy teammates when in the company of others. Toni, the newest addition to our team, had commented on numerous occasions that we seemed like close siblings.

We returned to the motel to find the other rooms dark. It had been an exhausting weekend. The Vagabonds were tuckered out. And tomorrow's drive was a long one. When travelling with the team I always opted for a private room. College was over. I was an adult. Privacy was essential. Allison felt the same way. Of course, this arrangement allowed us to carry on our affair undetected.

Holding the twelve-pack by my side, I told Allison to drape her arm over my shoulder. Balancing on one sandaled foot, the other still wrapped in a plastic grocery sack filled with ice, she hopped from the van to my ground level room

"How's the pain?" I asked.

"Nothing a few beers won't take care of."

I unlocked the door and helped Allison to the bed. The ice, much of it melted, rattled and sloshed as she lifted her injured foot. I left her like that, stretched out atop the comforter with a pillow behind her head, and went to get some ice. My room lacked a minifridge, so I retrieved a plastic cooler from the van and filled it at the ice machine adjacent to the swimming pool.

I had just closed the cooler lid when Toni, looking exceedingly hot in a pale green bikini, offered her assistance. "Need some help?" she asked.

"I think I've got it, Toni. It's not too heavy."

Her long dark hair, wet from a late-night dip in the pool, framed her fetchingly oval face. Toni was the only member of the Vagabonds who hadn't played in college. Still, she was plenty athletic and a major asset to the team. When not playing soccer she liked to surf.

"You played well today," I told her.

"We still lost . . ."

"Win some, lose some." I hoisted the cooler from the paved breezeway. "Have a good night, Toni. Sleep——"

"What makes her so special?"

Toni's question rooted me to the spot.

"What does Allison have," she said, "that I don't have?"

"I don't know what you——"

"Don't play dumb, Steve. I know all about you two. But don't worry. I'm the only one. The rest of the team is clueless. And your secret is safe with me . . ."

"We're just having fun, Toni. It's nothing serious. And it's none of your business."

"Fun, huh?"

"That's right."

"How about you and I have some fun . . ."

I searched Toni's face; hers was a nice face, olive complexioned with high cheekbones and full lips.

"I'll suck your cock right now . . ."

"—uh—um—"

She didn't give me much of a choice. There in the breezeway in a shadowy nook between the ice and drink machines she crouched before me freed my prick.

"I've wanted to do this for a long time," she said softly, her warm breath tickling my erection seconds before she took it in her mouth.

Toni gave fantastic head. She sucked me slowly, expertly, gradually upping the pace until I grunted and exploded inside her mouth. She swallowed my load and rose to her full height. She smelled of chlorine and cum.

"That was nice," she told me. "I hope we can do it again."

No sooner had the words left her mouth than she left me, padding to her room with a suggestive sway of her slender hips.

"Unbelievable," I muttered to myself. "Un-fucking-believable . . ."

I returned to the room to find Allison drinking a cold one sans the accompaniment of TV. The screen was blessedly black, blessedly silent. Who needs the idiot box when you've got each other, she seemed to be saying. I couldn't have agreed more.

I ripped open the twelve-pack and transferred the beer to the cooler, burying the 12 oz. cans in ice. Allison smiled impishly and patted the bed beside her. "Get up here, Steve.

*She moved her head up and down with deliberate slowness, taking every inch of my manhood on the downward plunge so that her lips pressed against my pubic hair. She didn't gag, not once.*

You know I hate to drink alone . . .”

My being in the room was not enough for Allison. She wanted me right beside her, our flanks pressed together, as we drank and chatted as a precursor to sex. We had three rounds each before things heated up. I was careful to avoid Allison's bum ankle.

I lay there against the headboard as she lowered my shorts and freed my erection. She held it in her hand, stroking me slowly, easily, biting her lip as she did so. I sighed dreamily, eager for her talented mouth to work its magic.

My little party with Toni hadn't depleted me in the least. My schlong was stiffer than a corpse at the county morgue. Two blowjobs in the last half-hour. Toni and Allison. I was one lucky sonofabitch, you bet . . .

I gasped when Allison devoured me, gasped and placed my hands atop her head, running my fingers through her chestnut locks. She moved her head up and down with deliberate slowness, taking every inch of my manhood on the downward plunge so that her lips pressed against my pubic hair. She didn't gag, not once. Allison had amazing control.

“Oh shit, baby. That feels so fucking good . . .”

My remark prompted her to up the pace. Now she pumped her head faster and faster, as if to say “—you think that's good . . . well, you ain't seen nothing yet.” She withdrew her mouth from my glistening rod and migrated to my ballbag; this while encircling me with her fingers. Allison took real good care of my nuts; she sucked and licked and lapped with slutty abandon, all the while jerking my shaft with her hand.

Her ankle limited us to missionary sex. Cowgirl and/or doggy was out of the question. But this was okay. I wasn't about to complain . . .

Having prepped me masterfully with her mouth and hand, Allison rolled onto her back, lifted her legs and shucked her athletic shorts. The ice bag had started to drip, so I removed it gingerly. The swelling wasn't so bad. Not at the moment, anyway. The ice had done its job.

“You do that so well,” Allison remarked. “You should've been a nurse.”

I tossed the soggy bag onto the carpeted floor and pushed her legs apart. Allison had neglected to remove her panties, allowing me to do the honors. The crotch of her gray cotton brief was moist. I could see the outline of her pussy through the thin fabric, an enticing crevice promising much pleasure before the night was through.

I peeled her panties, set them aside, and went down on

her. I loved eating Allison's cunt. Mainly because it drove her wild. I loved to excite her, loved to make her pant and writhe. My questing tongue went to work, probing and prodding my teammate's lovely hairless twat.

She raised her knees and turned her head to the side,

emitting a groan as I serviced her clit. “Oh, yes! Right there! Just like that!”

I brought her to the brink of orgasm, then relented. Raising my head, I pushed her legs back and plunged my cock into her pussy. Allison was tighter than my wife; her snatch enveloped me like a glove, hot and silky and oh so wet . . .

Employing a frenetic jabbing motion, I pounded her good and proper. This was the part I loved best, the relentless hammering of her fuckhole just before the big payoff.

And what a payoff it was!

For both of us!

Her mouth gaping, Allison spasmed beneath me, spasmed and writhed as I made her pussy come. Pulling out was a bittersweet affair, but I was determined to dump my load on her tits. She had left her T-shirt on the whole time. Now she lifted her arms and let me remove it. I made equally short work of her black sports bra, liberating her firm half-melon tits. Not too big, not too small, Allison's twin peaks were just right. And I coated them good, emptying my balls for the second time that night.

Toni.

Allison.

If only I could have them at the same time. Teambuilding is vitally important, you know. Oh well. There was always the next tournament . . .

I have to admit that I'm a bit of a home-body. I also have to say that sex in the bedroom can get a little boring so when John booty-called me and wanted to come over, I told him I was staying home alone tonight. He sounded disappointed, but I had bought a new toy

# Sadie

and I wanted some alone time with it. I put in the batteries and powered it up. The little balls in the shaft spun around and I couldn't wait to feel the effect. It was wonderful! I'm glad I stayed in, aren't you?

*I was horny  
for a big cock!*
